

**TO WHOM IT MIGHT BE CONCERNED****ATTESTATION OF PARTS QUALITY**

Our product of the brand COVIND fulfill the requirements applicable to the use of spare parts particularly for repair and maintenance in "authorized repair shops".

Our parts match the quality requirements of the Original parts according to the:

BER 1400/2002 and subsequent NEW BER –CE 461/2010

ISO quality procedures are applied and regularly monitored to ensure consistency and homogeneity in our products and services.

At your disposal for any further clarifications you might need
