

## TO WHOM IT MAY CONCERN:

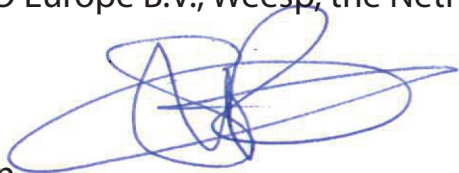

Certificate concerning Regulation (EU) 461/2010 - paragraph 19 and 20 -  
Declaration to Block Exemption Regulation

In connection with the entry into force of the Commission Regulation (EU) 461/2010 on the application of art.101(3) of the Treaty on the Functioning of the European Union to categories of vertical agreements and concerted practices in the motor vehicle sector, and in connection with the supplementary guidelines on vertical restraints in agreements for the sale and repair of motor vehicles and the distribution of spare parts for motor vehicles 2010/C138/05, as well as in connection with the entry force of the Ordinance of the Council of Ministers of 8 October 2010, on the exemption of the specified vertical agreements in the automotive vehicle sector from the ban on agreements restraining competition, I declare as follows:

In view of the above-mentioned regulations, DENSO brand products (including A/C Compressors, Condensers, Evaporators, Expansion Valves, Pressure Switch Sensors, Dryers, Cabin Blower Fans, Cabin Air Filters, Radiators, Intercoolers, Heater Units, Cooling Fans, Mass Air Flow Sensors, Fuel Pumps, ExhaustGas Temperature Sensors, EGR Valves, Ignition Coils, Lambda Sensors, Starters, Alternators, Glow Plugs, Spark Plugs, Wiper Blades, Diesel Injectors, Diesel Pumps, Suction Control Valves) sold by our company are spare parts (or here "products" or "goods") of a quality comparable to that of components used in the assembly of vehicles. The products offered by us may be used to perform any and all repairs of the vehicles specified in the above-mentioned regulations, requiring the use of spare parts af at least "comparable quality", including guarantee repairs.
