DECLARATION

We declare, under our own responsibility, that the products that we manufacture and supply according to our official catalogues, namely:

- Ignition components
- Engine Management Sensors
- Oxygen Sensors
- Swistches
- Thermostats

are manufactured with the corresponding car manufacturers standards and therefore, in view of the up-dated E.U. regulationsn.461/2010, 31st July 2002 so called “Block exemption” (paragraphs 19 and 20), the same are to be classified as:

“O.E. equivalent quality products”.
