

IMPORT & DISTRIBUTION OF AUTOMOTIVE PARTS & LUBRICANTS FOR

JAPANESE & EUROPEAN VEHICLES

## TO WHOM IT MAY CONCERN

I, the undersigned, declare that the goods described below:

- BRAKE SHOES
- BRAKE PADS

which are regularly supplied to the company **EURO 07 DOO** by **EURO 07 AD** and which are packaged in **ITN®** and **TBR®** are in conformity with the ECE R90 Homologation, when such homologation is printed on the label and marked on product.

The references which do not have such R90 Homologation, are anyway of the same quality level, and therefore can be sold for applications which are not covered by the limitation of European Council Directive 98/12/EC of 27 January 1998,- Article 2 provision 5 i.e.: to fit vehicles which have their Braking System type-approved previously of 1<sup>st</sup> October 1999, independently by the actual registration of the vehicle, or by the time when the replacement part is sold or fit in the vehicle.
