Declaration of Conformity

According to the paragraph **19** and **20** of the supplementary guidelines for the new EU regulation **No. 461/2010** on vertical restraints in agreements for the sale and repair of motor vehicles and the sales of automotive replacement parts from 27 May 2010.

The products of Lesjöfors Springs of the brand coils springs, leaf springs and gas springs, comply with the requirements for vehicle spare parts, particularly for the use in the context of maintenance and repairs in „authorized garages”.

The quality of our original parts is equal of the components that were used for the construction of the vehicle.

Our products were produced respecting the specification and production standards of the manufacturer. The qualitatively equivalent spare parts offered by us are equivalent as defined in paragraph 20 of the guidelines.

This certificate replaces the former certificate referring to the EU Regulation 1400/2002, which was exhausted on 31th May 2010.
