SPARE PARTS CONFORMITY CERTIFICATE

**ACCORDING TO THE COMMISSION REGULATION (EC) No 461/2010
OF 27 may 2010**

Pursuant to the side figures 19 and 20 of the complementary guidelines for vertical limitation in agreement concerning the sale and repair of motor vehicles and the distribution of spare parts dated May 27, 2010.

LPR S.r.l. certifies that:

Our products **brake hoses and CV joints** packed in **AP boxes** under **AP** brand meet the demands for motor vehicle spare parts , particularly for the use within maintenance and repair in accredited car repair shops.

Our original spare parts show the same quality as the parts used for building the vehicle and were produced meeting the specifications and standards of the car-manufacturer; the qualitative equivalent parts offered are qualitative equivalent in terms of the side figure 20 of the guideline.

This certification replaces the certification Kfz-GVO 1400/2002 which expired May 31, 2010.

COMMISSION REGULATION (EC) No 461/2010 OF 27 may 2010
on the application of Article 81(3) of the Treaty to categories of vertical agreements and concerted practices in the motor vehicle sector
