Certificate for the quality of parts

in accordance to the paragraphs 19 and 20 of the supplementary guidelines on vertical restraints in agreements for the sale and repair of motor vehicles and for the distribution of spare parts for motor vehicles of 28 May 2010.

The products of SWAG Autoteile GmbH comply with the requirements for spare parts for motor vehicles, particularly for the use in the context of repair and maintenance services by "authorized repairers":

Our original parts match the quality of the components used for the assembly of the motor vehicle in question and have been manufactured according to the specifications and production standards of the motor vehicle manufacturer. Parts that we offer as matching quality spare parts are of matching quality in the sense of the Supplementary guidelines, paragraph 20.

This certificate replaces the certificate provided for the Motor Vehicle Block Exemption Regulation No. 1400/2002 that expired on 31 May 2010.
