

18.09.2015

**EC REGULATION no 461/2010 dtd 31.07.2002**

Dear Customer,

we herewith confirm that the Cos.Pel® Spare Parts have been manufactured matching the quality requirements of the Original Equipment Manufacturer (OEM), according to:

**Paragraphs 19 and 20 from EC regulation no. 461/2010 Car Block Exemption, 31<sup>st</sup> July 2002**

We also confirm that ISO procedures are currently applied and monitored in order to ensure the required quality standard to our products and services.

Furthermore we confirm you that Cos.Pel. is supplying parts to O.E. and same manufacturing and quality criterias are applied for the After Market products

Best regards,

Andrea Rovei  
(Export Manager)
