We certify hereby that we EMMERRE SRL offers parts which fulfill the requirements applicable to the use of spare parts particularly for repair and maintenance in „authorized repair shops“.

Our parts match the quality of the components used for the assembly of the motor vehicle in question and have been manufactured according to the specifications and production standards of the motor vehicle or our 'matching quality parts' match the quality according to recital 20 of the guidelines.

This certificate displaces the certificate according to BER 1400/2002, which has expired by 31.05.2010.
