Declaration of conformity

According to the paragraph 19 and 20 of the supplementary guidelines of new EU regulation No 461/2010 on vertical restraints in agreements for the sales and repair of motor and the sales of automotive replacements parts from May 2010.

Following goods under name (brand) Hitachi, Hüco, Tokico supplied by Hitachi Automotive Systems Espelkamp GmbH:

- regulators
- rectifiers
- ignition coils
- ignition modules
- ignition cables
- airflow meters
- sensors
- valves (EGR, idle speed control, fuel injector valves etc.)
- fuel pumps and spare parts of fuel pumps
- throttle bodies
- alternators
- starters
- water pumps
- relays
- turbo chargers and spare parts of turbo chargers
- shock absorbers

comply with the requirements for vehicle spare parts, particularly for the use in the context of maintenance and repairs in authorized garages.

The quality of our original spare parts is equal of the components that we used for the construction of the vehicle.
