STATEMENT OF QUALITY

Subject: BER Declaration 2015

We hereby certify that our products are in compliance with the requirements of the automotive vehicle replacement parts for use in the repair and maintenance to "approved workshops"

In accordance with points 19 (for OE parts) and 20 (for matching quality parts) of EC BER 461/2010 "Supplementary guidelines on vertical restraints in agreements for the sale and repair of motor vehicles and distribution of spare parts for motor vehicles"

(See 2010/C 138/05)

NTN SNR OE parts are of the same quality as fitted to manufacturers' vehicles and are produced to same exacting standards. The NTN-SNR company supplies the same quality parts in terms of point 20 of the guidelines.
