**Statement regarding European Commission Regulation No  
461/2010  
(so-called Motor Vehicle Block Exemption Regulation) and  
supplementary guidelines.**

To whom it may concern,

All products supplied by NRF meet the requirements for automotive spare parts as established by the European Commission. Which means either "original spare parts" or "matching quality parts" as described in the supplementary guidelines of Commission Regulation No 461/2010 in respectively Article (19) & (20).

Nederlandse Radiatoren Fabrik B.V. shall expressly retain ownership of goods delivered until full and final settlement of the price, interest and related expenses. Failure to make any one payment upon due date may result in a claim for the return of the goods. These conditions shall not prevent the transfer to purchaser, upon delivery, of all risks of loss or damage to the goods sold or any damage that they may cause. Purchaser shall be obliged to monitor the good condition of the goods, not to sell, pledge or in other way dispose of the goods or part thereof, until such time as full title shall be transferred to him.
